A completely tailored experience

Premier Features

All of TouchCare's premium services in one place.

Open Enrollment

With Open Enrollment support, members can schedule personalized consultations to review and select the best plan options for their unique needs.

VirtualCare

VirtualCare is compassionate telemedicine. Providers are available 24/7/365 to treat common illnesses and minor injuries, all in a quick phone call or video chat.

MindCare

MindCare makes it easy to receive short-term, solution-focused counseling via phone or video. MindCare makes accessing mental healthcare easy.

MD Opinions

Get a second opinion from top doctors in a variety of specialties and sub-specialties. Members can review their diagnosis and confidently decide on a treatment plan.

Child Care

Plans change, bad weather hits, sitters cancel. We can help. Tell us your needs, and we will help you find a pre-vetted childcare solution for your family.

Elder Care

TouchCare assists with benefits coordination, navigating Medicare, appointment scheduling, and vetting assisted living/nursing home facilities.

Provider Searches

Dedicated Health Assistants can find top-rated care for all health needs including primary care, executive physicals, and will even book the appointments.

Travel Assistance

Before travel, members get a customized healthcare plan. We'll help them understand the differences between routine, required, and recommended vaccines.
